# WORLD NEWS IN REVIEW

### Appointment

President Roosevelt has named Alexander Wilbourne Weddell, 63, of Richmond, Virginia, to the post of ambassador to Europe's newest Dictator, Francisco Franco of Spain. Weddell's first consulate position 29 years ago was in Zanzibar. Since 1933 he has been trying, as Ambassador, to keep Argentina friendly despite U. S. embargo on Argentine beef.

### Little Refugees

Helen Hayes, famed and beloved actress, appeared at the hearings on a resolution sponsored by New York Senator Wagner and Massachusetts Representative Rogers which would lift U. S. Immigration quotas to let 20,000 child refugees from Germany (one-sixth of the estimated number who are in "desperate straits") enter the U. S. this year and next.

"There is always room for one more—ones who have no room elsewhere," urged the actress, who appeared as plain "Mrs. Charles MacArthur, mother of two," rather than as the reigning queen of the stage. Actress Hayes clinched her argument by saying she would adopt a child sight unseen if assured it was not mentally defective.

Cardinal Mundelein of Chicago sent word: "These children have done no wrong."

### Coal Strike

West Virginia was getting its coal on prescription last week; thousands of workers were idle, railroads were in a desperate plight in the coal areas and a "bloody, old-fashioned coal strike" seemed to threaten. All this, because John L. Lewis and the operators in the great Appalachian coal fields had been unable to agree to a new wage contract. The wage question was hardly the real point, however. Mr. Lewis is determined to have a closed shop for his United Mine Workers; the operators are just as determined to keep their industry open to other unions.

# Del Vayo Will Speak Here, May 8

Julio Alvarez del Vayo, Foreign Minister of the Spanish Republic, who is touring this country for the Spanish Refugee Relief campaign, will speak in San Francisco Monday, May 8, at the Scottish Rite auditorium under the auspices of the San Francisco branch, Spanish Refugee Relief Campaign committee with headquarters at 83 McAllister street.

**Exiled Compatriots**

Senor del Vayo, who is 48 years old, was born in Madrid of an old conservative, aristocratic family. He and his brother were the only members of their family who supported the Loyalist cause during the war. A member of the Socialist party since 1912, Senor del Vayo occupied several high posts during the two and a half years of conflict. He, with Juan Negrin, prime minister of the Republic, was among the last of the Republican government officials to escape from the central zone and since then they have been devoting their efforts to finding asylum and relief for their exiled compatriots.

Senor del Vayo's father was a general in the Spanish army. He himself attended the military school at the Ecrial. He finished his studies of law and then worked with Mr. and Mrs. Sidney Webb at the London School of Economics and Political Science. Coming to the United States he became a newspaper correspondent for Madrid newspapers until 1916. Following his defeat as a candidate for parliament he went to Germany where he was correspondent for several Argentine papers, writing a number of books there on Germany and Russia.

**Served As Ambassador**

During the dictatorship of Primo de Rivera he was arrested many times. From 1931 to 1933 he was Spanish ambassador to Mexico. Following this he was appointed a member of the League of Nations Commission on the Chaco conflict in Bolivia, becoming president of the commission. At the end of 1933 he was elected member of parliament from Madrid, being re-elected in 1936 from the popular front. After the Franco rebellion he took a prominent part in resistance to Franco. In September 1936 he was appointed foreign minister and in October he became general commissar of war. From May 1937 to April 1938 he was commissar of war and main delegate to the League of Nations. After the fall of Catalonia he returned to the central zone of Spain.

# Announce Dates For Tenth Roundup

The Gilroy Roundup and Gymkhana, one of the most famous rodeos in the West, will hold its tenth annual celebration on June 3 and 4.

Following the precedent set by the Gilroy show last year, the 1939 Gymkhana will limit its contestants to residents of ten counties. These counties are Santa Clara, San Mateo, San Benito, Santa Cruz, San Francisco, Monterey, Merced, Stanislaus, San Luis Obispo, and Alameda. The Gilroy Gymkhana still remains an "open" rodeo inasmuch as professionals and amateurs alike may compete in this show, providing they are bona fide residents of one of the above counties.

As in former years the Gilroy Gymkhana management is contracting numerous specialty events to thrill the spectators. It is these novelty acts that have gained for the Gymkhana a reputation as having one of the most diversified and thrilling western shows in this section of the country.

Renshaw stated that the major portion of this sum was used for materials and labor by the Navy, Department of Interior, PWA, Corps of Engineers, Farm Security Administration, WPA, Bureau of Public Roads, Department of Labor and other Federal agencies.

# Native Sons Attend Big Event

Nearly forty members, wives and friends of El Carmelo Parlor No. 256, Native Sons of the Golden West, drum corps, motored to Los Banos by Greyhound bus Sunday to attend the sixty-first Spring Barbecue and Picnic there. Originally established by Cattle Baron Henry Miller, this annual celebration of the Old West has passed into history.

The population of Los Banos was swelled to 25,000, ten times its normal complement, by visitors who came from near and far to see the afternoon horse show and the two-hour morning parade, as well as sample the 14,000 pounds of barbecued beef and the small mountain of pinto beans that were dished out free as air.

Immediately after the parade, the uniformed marchers, Los Banos residents in costumes of the Old West, visiting legislators from Sacramento, and the thousands who had motored to Los Banos for the occasion, mingled in the city park to hear a program of civic and patriotic talks. Principal speaker was Joseph J. McShane of San Francisco, grand president of the Native Sons of the Golden West.

Following the noon barbecue, the horse show opened with 500 entries.

Local members and friends attending the fete included Mr. and Mrs. Ernest Micco, Mr. and Mrs. Luke Zerga, Mr. and Mrs. Sam Parmisano, Mr. and Mrs. Anthony Parmisano, Mr. and Mrs. Albert Parmisano, Mr. and Mrs. James Tierney, Mr. and Mrs. James Reardon, Mr. and Mrs. George Rominguere, Mr. and Mrs. Michael Flynn, Mr. and Mrs. Frank Smollen, Mr. and Mrs. Herman Christian, Mr. and Mrs. Dave Arata, Mr. and Mrs. Theo. # Community To Dedicate DC City Hall

Arrangements for gala dedication day, May 21, for Daly City's new city hall are working out in excellent style, according to James J. Tierney, program chairman. Tierney represents the Native Sons of the Golden West, El Carmelo Parlor, No. 256, who along with the Native Daughters of the Golden West, El Carmelo Parlor, No. 181, are sponsoring the city hall dedication ceremonies.

Tierney announced events of the day as follows:

Parade to start at 1 p. m. and follow a line of march along principal local streets will be an introductory feature to the ceremonies. Marching units and drum corps of NSGW and NDGW parlors from several bay area cities will be represented in the parade. Daly City band, Catholic Federation, Boy and Girl Scouts will enter in the parade. Loving cups will be awarded to best units entered in the line of march.

Committee chairmen invite all local organizations, residents and their friends to participate in the parade and to attend the dedication ceremonies.

**Speakers**

At 2:30 o'clock dedicatory addresses and other program features will be held at the front entrance of the new city hall. Local, county, and state officials and dignitaries are scheduled to attend the affair. Closing the day prior, Saturday, May 20, in San Francisco is the state convention of the NSGW. Local Native Sons informed The Record that many of their high state officials are planning to stay over for the dedication program here.

Finale of the celebration will be laying of a dedicatory plaque to be set in the city hall floor just inside the front entrance. Sponsors of the ceremonies also plan to present a California Bear flag and American flag to the city.

**Committee**

General committee for the celebration are: James J. Tierney, chairman; Charles Oliviera, John Affolter, and Albert Parmisano representing the NSGW. Grand President Jesse Miller will officiate. Native Daughters committee is Grand President Edna Briggs, Miss Claire Cook, marshall; Mesdames Alice Oldhan, Louis Eliasen, and Helen Myers.

Tomorrow evening committeemen meet at the Masonic hall to plan details of the dedication.

The Daly City Record will publish a special edition, "Souvenir of Progress," in celebration of the dedication.

# Firemen Ready For Annual Ball

Saturday night next week is red letter day of the year for Daly City firemen. Widows and Orphans association will stage their gala annual ball at Colombo hall. A '49er theme has been selected for the affair, and early California decorations are already up in the hall. Cowboy, miner, and Spanish costumes will be in order.

Dancing to the music of Johnny Dell and his orchestra is to start at 9 p. m. and will continue to 1 o'clock. Door prizes, refreshments, and festivities will add to the gaiety of the dance, one of Daly City's outstanding spring social events.

More than one thousand tickets have been sold, reports Fire Chief A. P. Chesney, which assures that the event will be well attended.

## Daly City Stork Sets Speed Record

Daly City storks can fly very, very fast, according to Joe Garibaldi, manager of Mission Ambulance service.

Very, very fast means faster than 75 miles per hour—since that was the rate of speed Mission ambulance was rushing to Community hospital when the stork overtook it.

The story all happened early yesterday morning when Mission ambulance was called to 395 Frankfort street. While en route to the hospital Mrs. Sybel Noell gave birth to her child. Both mother and baby are doing nicely.

# 'Appeaser' Speaks

# Adult Center Plans Spring Tour

Plans are in progress for another Spring tour of the county under the direction of the San Mateo Junior College Adult Center. Last year the all-day trip was made by a large caravan under the leadership of Dr. Frank Stanger, Fred Klyver, and Leslie Wilson of the junior college faculty. The trip included visits to historic and scenic places, an informal barbecue and program at Moss Beach and descriptions of floral and geologic points of interest.

## Install Electric Traffic Signals Here

Electric traffic signals are being installed this week on Mission at Market street near the southern city limit. The signals, similar in type to those at the top of the hill, will be in operation by May 15, according to Engineer Julius F. Castelan who is supervising the work.

The $1500 job is being done by Meritt Electric company and city employees and is being paid for out of quarter-cent gas tax funds.

# Receive OK For Vista Park Work

Second Vista Grande Park project, which also includes further development of the Brunswick-Acton park, has been okeyed and approximately $15,000 of Federal money will be expended on the jobs.

This announcement was relayed from Washington through county offices, Friday, according to Julius F. Castelan, Daly City engineer. The Federal appropriation will be matched by approximately $6000 of local money as a sponsor's contribution, bringing the total improvements to be made to $21,000 or better.

News of the Federal appropriation was received with great enthusiasm by Mayor Paul G. Selmi and other progressive minded citizens who have consistently championed park improvements.

Castelan informed The Record that at least 50 men will be at work on the jobs by May 15.

**Baseball Field**

Items on the Vista Grande park appropriation call for bleachers, baseball field with dugouts and backstop, completion of rest rooms, spreading top soil, and planting of turf.

The bleachers will be erected at the north-west corner of the lower level of the park and will seat more than 250 spectators. Facing the south-east, the baseball diamond will be located directly in front of the bleachers, and dugouts will parallel the home-to-first and third-to-home base lines. Sand and top soil will be leveled for the diamond, and the entire remainder of the lower level of the park will be spread with six inches of top soil and turfed. Rest rooms will also be finished in this project.

**Tennis Court**

The appropriation calls for one tennis court in the Brunswick-Acton park. Laid with a macadem base and surfaced with Cal-rock, the court will be fenced to a height of ten feet.

# Draft Plans For County Day At Fair

Plans for the San Mateo County day celebration at Treasure Island, June 11, were drawn up by the county committee meeting at San Mateo city hall last week and will be submitted to the general committee at a meeting to be held at Civic Center auditorium May 12.

Directed by Chairman George Davis of Millbrae, the committee of fifteen, representing each section of the county, drew up tentative plans to make the celebration one of the largest to be held at the exposition. H. G. King represented Daly City.

Main event of the day will be a huge dance at California auditorium throughout the evening, with one of the numerous exposition orchestras furnishing music.

**Special Numbers**

Bands, orchestras and special numbers from all high schools in the county are to be presented during the late morning and afternoon. Uniformed groups, such as the American Legion and drum corps, will present varied programs in separate parts of the exposition.

A representative of the fair said the arrangements would be made to furnish complimentary admission to members of the bands, orchestras and uniformed groups which will contribute to the day's programs.

More than 30,000 straw flowers have been ordered as signifying an outstanding attraction of the county and will be distributed to Island visitors throughout the day by girls' groups from each of the county's high schools.

**Buttons For Residents**

Buttons for county residents to wear on the island during the day will go on sale May 15 and will be sold at a nominal cost, the committee members said today. Proceeds from the button sales will go toward covering costs of the special programs.

Plans of local groups, with each city planning to hold some attraction of its own, were to be announced at a later date. Davis urged local committees to begin the drive for attendance at the county's day on the Island.

# Building Makes Rapid Strides In Daly City

Daly City building was extremely strong from April 1, 1938, to April 1, 1939, and promises still greater activity during the current year. Building permits for 72 new homes, six apartment houses, five store buildings, two civic structures, one industrial plant, and 53 repair and remodeling jobs boosted building costs during the past twelve months to more than $400,000. Total assessed valuation of Daly City property was increased six and one-half per cent during that period.

The new city hall, $61,800 job, tops the construction list. Golden Gate Atlas Building Materials plant, Junipero Serra boulevard, places second at $20,000. Several home construction companies have built series of units in excess of $50,000.

A new post office was built and dedicated last fall at 6251 Mission street. Daly City's new library, 6351 Mission street, was completed less than eighteen months ago. Approximately $100,000 has been spent for street, park, and other improvements since January 1, 1938. Only a little more than a year ago the new $150,000 gymnasium and swimming pool was completed at Jefferson Union high school.

Thirty-three contractors, firms, and private individuals have participated in Daly City home construction during the past year. Following is a list of their names and location of their jobs:

# San Francisco Peninsula Inc. Takes Active Lead

San Francisco Peninsula Inc., a non-profit promotional and development organization, had its inception little more than a year ago—yet its progressive board of directors and contributors have chalked up an amazing set of achievements.

Peninsula representation at the World's Fair on Treasure Island has been provided for at the Mission Trails building. Attractive newspaper advertising is being placed in San Francisco papers nearly every week to tell fair visitors and San Francisco residents the advantages of living on the peninsula.

Industrial opportunity ads have been placed in trade magazines and colorful bulletins on peninsula life are available on Treasure Island, at bay area Chambers of Commerce and here at the Daly City Record.

Colored motion pictures showing beauties and advantages of the peninsula are now being taken to be shown at the fair and later may be had for local showings on request. Traffic safety in Daly City and Jefferson Union high school is included in the color film.

# ONWARD WITH PROGRESS

**(A brief declaration by Mayor Paul G. Selmi on the inauguration of a building feature in the Daly City Record.)**

With genuine enthusiasm, I take this opportunity to congratulate building interests and other progressive individuals and agencies who are contributing to the steady growth and development of our community.

In the past ten years our population has nearly doubled. Our schools and civic facilities have been vastly expanded and improved. We have seen new highways built. Truly Daly City breathes the spirit of progress. But this achievement has not always been made with ease—we have met difficult problems and solved them, we have planned and worked for a greater city and BUILT IT!

Our past accomplishments are not enough—we must view them only long enough to gain a firmer hold on present problems and opportunities, then work with a determination for still greater improvement.

Rapid transit system, a community center, street improvements in the south end are projects on which I and other public spirited citizens are spending a great deal of effort.

May we all work together for a GREATER DALY CITY!

MAYOR PAUL G. SELMI

# Famous Bull Riders In Rodeo

More than a hundred head of Brahma bulls, the most dangerous and treacherous "critters" the southwest can produce, will be pitted against the strength and skill and courage of the championship bull riders of the world in thrilling competitions to be staged at the World's Fair Rodeo, May 12-21 in the coliseum on Treasure Island.

**Tough Show**

It is really going to be a tough show for the cowhands according to Harry Rowell, Jack Millerick, Cuff Burrell, and Bob Barmby, who are pooling their resources to provide the toughest livestock in the West for the Treasure Island Round-Up. More championship bull riders both past and present will compete at the World's Fair Rodeo than have ever gathered at one time in one arena in the West, according to Ray Ball, manager.

The greatest bull rider of all time, Smokey Snyder, of Kimberley, British Columbia, will be one of the top hands who will tangle with the Brahmas. Snyder was the World's Champion bull rider in 1931, 1932, 1935 and 1937.

Frank Schmeider, World's Champion, 1933 and 1934 is another one of the boys who will compete for a share of the large purses offered. Frank is a brother of Johnny Schneider of Livermore, former World's Champion all around cowboy.

**Kid Fletcher**

Another top hand with the bulls who will be on deck at Treasure Island is Kid Fletcher of Hugo, Colorado, who won the World's Championship last year.

## Hauntians Haunt Record Office

The Daly City Record office was "haunted" this morning by a mysterious communication from anonymous ghosts. Written in red ink on a piece of jagged paper, the missive read as follows:

"The Chief Hauntian, Big Hauntian and all the Royal Hauntians of the High Court of Hauntians, met last Thursday night for their regular meeting. The Hauntians meet every Tuesday and Thursday nights.

"The High Court of Haunts is a new club that has started up in Daly City in the last month. Because of the High Court of Hauntians oath and pledge, names cannot be revealed.

"The Hauntians' meetings last from seven-thirty until twelve or one p. m. The Hauntians exchange their pleasant Hauntings they had since the last meeting. About 11 p. m. refreshing Haunters are served.

"A very good time is had by all."

The plot thickens. Only signature to the letter was "The Haunts —thank you."

## Crocker PTA Board To Meet Thurs.

The regular meeting of the Crocker P. T. A. Sew and Sew club was held at the home of Mrs. Mildred Seiler, last Thursday. Nineteen members were present and after luncheon, went in a body to the Crocker school to view the exhibits presented for Public Schools Week. Mothers of a great many more of the children were already at the school, making a total number of almost forty.

After the members of the Sew and Sew club had made the rounds of the rooms, they returned to Mrs. Seiler's home and resumed their work on articles for the bazaar. The regular date of the first and third Thursdays in the month was set for the meetings.

The next meeting will be held at the home of Mrs. Orvilla D. Pauw, 859 Hanover street, Thursday of this week, at 10:30 a. m. All members are welcome. The meeting will also be the executive board meeting of the Crocker P. T. A., as the regular meeting of the unit (the first under the new president) is Tuesday of next week.

### Announce Average Blind Aid In County

Average aid to the blind of $47.79 per person was granted to 24 persons in San Mateo county during February of this year, according to a study of blind aid in California counties, made public by the California Taxpayers' association today. The total amount of payments to the blind in the county was $1,147 for the month, the association found.

Over California as a whole, the association stated, 6,253 persons were granted an average of $47.96 in aid during February. Costs of this aid will approximate $3,442,000 for the current year, for which the state and counties each will provide about $1,185,000 and the Federal government $1,072,000.

## Troop No. 149 Attends Camporee

Approximately 37 scouts from Troop No. 149 attended the Annual Camporee, held at Golden Gate Park, Saturday and Sunday, April 22 and 23.

Everyone arrived early Saturday morning. They registered and immediately set up camp. The scouters also reported to the headquarters tent to sign up for duty as judges. Inspection was then started as a basis for calculating points and gradings. The camps were inspected with close examination of proper food, bedding, and clothes. This was all recorded, and, as Camporee came to an end, was totaled. Saturday night, instead of one large campfire, individual ones were built.

Sunday morning found other inspections taking place. Meals were cooked, and camp was cleaned and polished for Sunday afternoon visiting time. Games, contests and demonstrations were held for the visitors. The organizations responsible for the administration of the troop were greatly impressed by the technique of the scouts. The boys of 149 showed in their demonstrations of camping much improvement over those at camporette the previous week-end. Almost the entire troop was present to assist individual patrols in gaining enough points to win the coveted Grade A rating that will take them to camporal which will be held in the near future at Monterey Bay.

## Federal Theatre To Give Series Of Kiddie Shows

So that San Francisco and Bay Area children may be taught the blessings of Democracy and may be given a share in the cultural benefits of true drama, the Federal Theatre Project at Treasure Island and Northern California will launch a program of Saturday morning children's shows beginning May 6.

The first performance, next Saturday, will be given free to physically handicapped and underprivileged children. Invitations to the show, which will be "Hansel and Gretel," were issued this week by Miss Ruth Andersen, Supervisor in charge of Children's Programs.

**At Alcazar**

The delightful play will be given at the Alcazar, with the full cast from the production now playing at the Federal Theatre on Treasure Island. After "Hansel and Gretel," according to Miss Andersen, different plays will be presented each Saturday.

The launching of Saturday morning children's programs is in line with the government policy towards children expressed this week in Washington by President Roosevelt, as he spoke to educators, psychologists and social workers at a conference on "Children in a Democracy."

**Program Addition**

The instituting of the programs for children is an addition to the program which is in effect at the Alcazar, where "Run Little Chillun" has just finished its sixteenth week. Following this all-Negro musical drama, with which the Federal theatre has broken all legitimate theater records in San Francisco for the past 15 years, will come "Two A Day," historical cavalcade of vaudeville which has been playing for six months in Los Angeles.

In the cast of 100, which is utilized in 25 acts of vaudeville, will be many oldtime stars whose names once were favorites throughout the country. Those who have not seen "Run Little Chillun" are warned that they must make their reservations quickly, for the Negro show will leave the Alcazar on May 13. "Two A Day" will open on May 18. Tickets for the new vaudeville show go on sale at the Alcazar on May 4.

### Blue Persian Cat Returns Home

"Laddie," a beautiful blue Persian cat missing since early last week, was safe at home in his mistress' arms again today.

Belonging to Mrs. Molly Jones, 15 Bruno avenue, "Laddie," several times a blue-ribbon winner, disappeared early last week. After advertising for his return in a want-ad, the heartbroken owner enlisted the aid of friends a n d neighbors in the search. Placards and handbills had been partially distributed when Laddie suddenly reappeared in his own back yard, as nonchalantly and mysteriously as the Cheshire cat.

Some Facts about the P. G. and E.

We Paid $1,638,781 Taxes this Year to the City of San Francisco

Everybody pays taxes. We expect to pay our share, of course. There is nothing remarkable about taxes except the frequency with which they fall due and the speed with which they climb steadily higher.

But when the tax payments of an individual business to one city government run into the millions, we think this item of municipal revenue becomes a matter of public interest.

Taxes upon this company's San Francisco properties for the fiscal year ending June 30, 1939, amounted to $1,638,781 divided as follows: upon electric properties, $995,023.39; gas, $486,441.71; on other properties, $157,315.90.

Without these contributions to the cost of operating the various branches of city and county government the annual tax rate would have to be heavily increased. *The tax upon our electric properties alone—almost one million dollars—is equivalent to approximately twelve cents in the tax rate.*

In addition to its San Francisco taxes, the company pays substantial levies throughout its territory. It is the largest taxpayer in the state. Its 1938 bill for all forms of taxes—federal, state, city, county and district, amounted to $17,081,000. The amount has nearly doubled in ten years. It now represents a charge of $11.50 for every meter in service as compared with $1.96 in 1914.

★ Last year our taxes exceeded the full year's wages and salaries paid to all operating employees—about 8,500 in all.

# Two Spectacular Films At D. C. Theatre Tomorrow

## "Gunga Din," Kipling's Hero, Rises on Screen

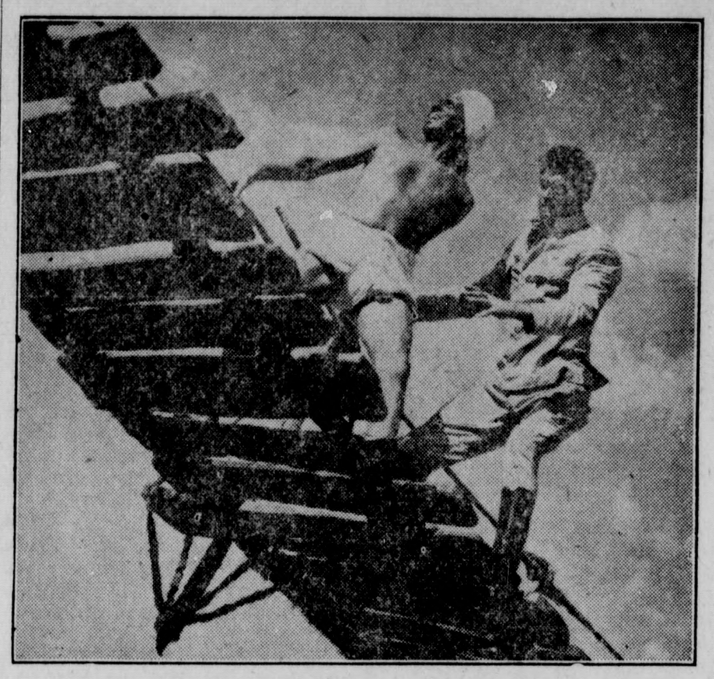
Through the Orient, land of mystery, strange beliefs, warring factions and sects, romance and tragedy walk hand in hand. Ample reflection of this fact is found in the bizarre, exciting incidents that make up the plot of RKO Radio's current spectacle, "Gunga Din," adapted from Rudyard Kipling's poem, which opens for four big days at the Daly City theatre, tomorrow (Wednesday, May 3).

The story treats of the adventures of a water carrier, or bhisti for a British regiment in India; and his three soldier chums. Kipling immortalized Gunga Din, when he made the humble bhisti's name ring throughout the civilized world with verses written as in words of flame.

The poem was one of the author's earliest bids for fame. It achieved its object because of its strenuous martial tempo, strenuous appeal, and splendid glorification of the under-dog, as exemplified in the person of an intrepid native, who, despite his lowly place in the social scale, a terrible handicap in the caste-ridden Orient, set Fate at defiance and proved himself every inch a man.

Kipling knew war at first hand. As a newspaper correspondent, he had seen, in his own words, "the lean, locked ranks go roaring down to die!"

## A Misstep Means Death!



Cary Grant doffed his dinner jacket for soiled khaki in "Gunga Din." Pursued by a band of murderous fanatics he and Gunga Din (Sam Jaffe), make their escape over a swaying suspension bridge in RKO Radio's thrill-packed pageant of Kipling's immortal saga.

What the poet did for the once despised bhisti, in his ballad masterpiece has been emphasized four-fold by the screen. "Gunga Din" is its film version.

Starred are Cary Grant, Victor McLaglen and Douglas Fairbanks, jr. Sam Jaffe plays Gunga Din.

The clutch should not begin to disengage the instant the driver's foot touches the pedal, states the National Automobile club. There should be from one-half inch to an inch of free play in the movement of the pedal. Failure to maintain such adjustment is likely to lead to a host of expensive trouble.

## Fonda, O'Sullivan Are Law's Victims In "Let Us Live"

One of the most widely discussed films ever produced, Columbia's "Let Us Live" comes tomorrow (Wednesday) to the Daly City theatre. Maureen O'Sullivan, Henry Fonda and Ralph Bellamy are featured in this story of plain, average people who suddenly find the eyes of the world upon them. Innocent persons . . . yet cast in the role of murderers. . . .

Universal in its theme, "Let Us Live" has already been hailed as "a great love story . . . a powerful drama of everyday life and everyday people that will be your screen experience of a lifetime."

John Brahm, director of "Penitentiary" and "Girls' School," is responsible for the sincere, moving treatment of the Anthony Veiller-Allen Rivkin script.

"Let Us Live" is the story of a young taxi driver, and of his sweetheart. When a murder is committed by young bandits in the course of a hold-up, eye-witnesses positively identify the young cabbie as the leader of the gang. A net of circumstantial evidence makes more tense the desperate efforts of the boy and of the girl to prove his innocence.

Supporting Fonda, Miss O'Sullivan and Bellamy is a strong cast which includes such personalities as Alan Baxter, Henry Kolker, Stanley Ridges, Clarence Wilson, Phillip Trent, George Douglas and young Martin Spellman.
